July 9/81.

Dear Mr. Newman;

Thank you for your letter and please forgive my unavoidable delay in answering. I do appreciate all the information re the family of Edsons and our family relationship. It becomes clearer now. Because the Edsons Miss Sarah Levitt speaks of, lived in Boston :. it must have been Harris not Harry as she claims. I sent the list of my immediate family to Natalie I am sure that you and your wife will see her list of (your) our family tree. I do not know

any Shapiros but Pearl Barnett is my sister. When I visit my children and grandchildren in Boston I would like to try to phone Esther Edison Davis.

If you or Natalie wish for any further addresses etc re the larger family please write.

I am leaving July 29th to visit my cousin Judge B. B Gillis, in Stopdon, England and will return Sept. 3

My grandson Peter Weiss a lawyer, 27. Wife & children his firm is Stokes & Shapiro, in Atlanta, Ga. Their home is 1437 Tanya Drive, Ft. Georgia, 30229.

With warmest regards to you and Evelyn. Hoping we meet some day. sincerely, Sadie Brown

Dear Mrs. Brown:

My wife's cousin, Natalie Edison Freund, asked me to answer your recent letter about your relationship to the Edison family. There are lots of Edisons in St. Louis, as well as elsewhere. My wife, Evelyn Edison Newman, is the daughter of Mark A. Edison and Ida Edison Edison (first cousins who did marry). Ida was the daughter of Harris and Sarah Edison of Boston who had two other children, Esther Edison Dana (age 86 and living in Boston) and a son (another Mark Edison).

Harry Edison lived in Atlanta, Georgia, up to 1929, and in St. Louis thereafter (died in 1966), was a son of Abraham Edison who was Harris Edison's brother.

Now it's your turn to find out who you are trying to identify, Harry or Harris.

Do you know how the Browns, Barnets, Shapiros, etc., are related to the Edisons? Perhaps you can send your family tree to show the connection. We will gladly help you after you digest this data.

Sincerely,

Eric P. Newman
